

D.I.E. IS A MULTI-REGIONAL PROJECT, FEATURING GUITARIST JASON WRIGHT IN UKIAH, CALIFORNIA, AND KEYBOARDIST/PRODUCER J. 'BUNNIE' DREHER IN SLC, UTAH. TAKING IN INFLUENCES FROM INDUSTRIAL & PROGRESSIVE ROCK, METAL, TRIP HOP, AND A WIDE ARRAY OF WORLD MUSIC, D.I.E. IS THE SOUNDTRACK TO REALITY.

"DYING IS EASY," D.I.E.'S DEBUT ALBUM, IS A TRIP BACK TO THE GOLDEN DAYS OF WAX TRAX!, MIXING WELL-PLACED SAMPLES, WITH HEAVILY LAYERED DRUM PROGRAMMING, AND MELODIC YET BRUTAL SYNTHS AND GUITARS. FOR FANS OF KMFDM, MY LIFE WITH THE THRILL KILL KULT, AND JUNO REACTOR.

"The multitudes of layers weave their way through your ears, tangling themselves up in your brain matter, and piquing your senses to maximum attentiveness."
